RE: **Travel Consent Form**

In order to prevent the transport of runaways and children involved in custody disputes, many countries have tightened enforcement of regulations covering children traveling internationally without parents or with a single parent.

Most countries require a notarized letter from the non-traveling parent(s) granting permission to travel, which includes details such as the dates of travel and accompanying adult's name. Airlines are now enforcing this requirement at check-in and travel agents are required to notify passengers about this requirement.

Please note that if both parents are living, the affidavit that follows must be signed by BOTH parents (whether married, separated or divorced). **It must also be notarized.**

Please place the original with your child's airline ticket and send a copy to our office. Thank you!
